

## About us:

Birch Shores has been family owned and operated since 1947. We feature 30 rustic and cozy cabins on the eastern shore of Big Manistique Lake with 1000' of beachfront.

Come enjoy spectacular sunsets, nightly campfires, fishing, boating, swimming, sunbathing, beach volleyball, and more!

Escape from the hustle and bustle of everyday life, and take a reprieve from the demands of our digital world.

This is a place to be one with nature and part of a community of good folks where the kids go outside to play together, people interact face-to-face, and families become reacquainted.

We hope you'll join us and look forward to your visits year after year as much as we do!
